

*Salina and Leoni arrived
Nepal, with a great aim to help Asha School.*

*They were welcomed happily
by our School children.*

It's a great facility for our children to have the volunteers in our school.

our kids learn so many new things and also a little bit of German Language & culture.

T-Shirt painting training by the volunteers.

morning walk with the children.

Volunteers are always very helpful.
- helping in the hostel kitchen.

Taking the kids for a walk.....

Sweet Cookies for the children...
Thank you very much !!!

*Felicie, arrived to Nepal.
She is from France.*

*Welcome Felicie! Volunteers
usually stay in our Asha Hostel.
They are always welcomed happily.*

Wonderful time with the students.

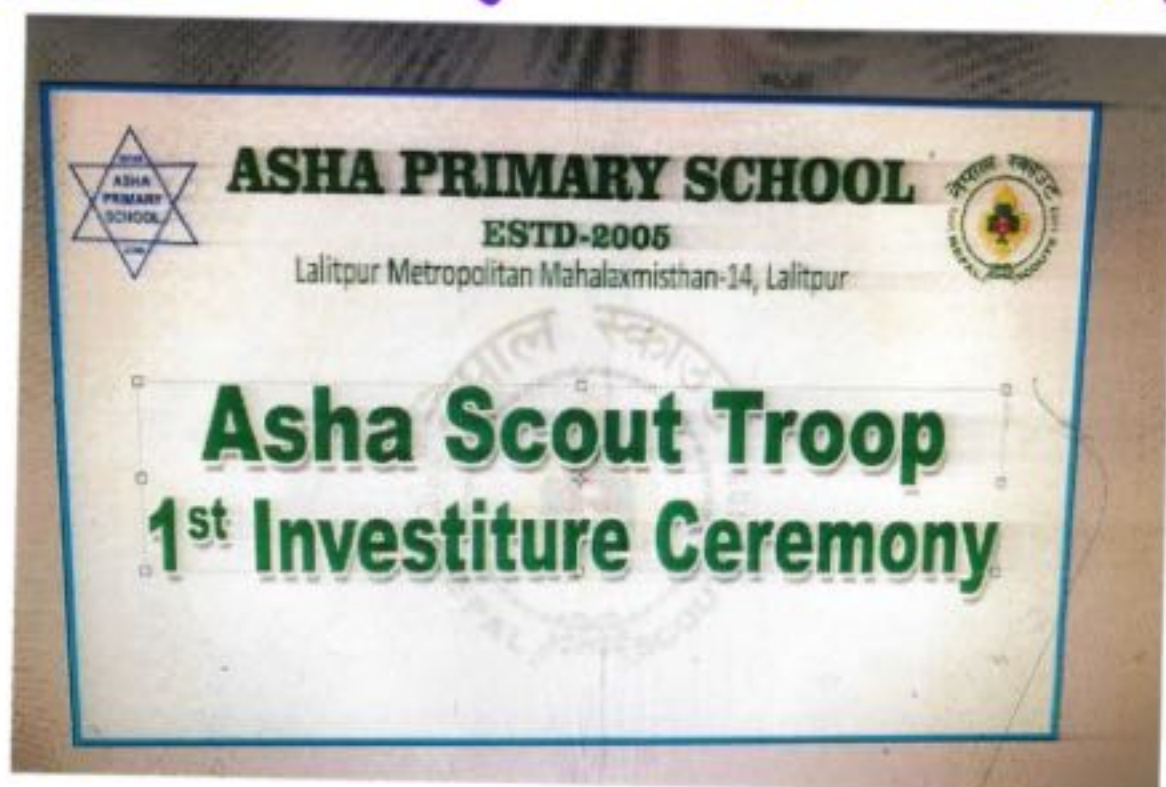

She baked some cookies
for the hostel children.

Also taught the students to make
hand bands. Our all volunteers are
very much skilled and so helpful.

≈ Scouting in Asha School ≈

Asha School, has Scout training too, for the children.

One year was Successfully crossed,
and it was very Successful

Badge for Completion of One Year.

*It's a great reward for our students.
"Once a Scout - always a Scout."*

In Scouting, the kids go for Social Service, trekking & also cooking training.

Jasmin, our volunteer is also helping the scouts to prepare "Chapati" - Roti!

After cooking, the food is served to everybody.

First, the Scout master has to check - and "pass" the food.

Cleaning job, after the event.
Will be by the students, for team-work,
leadership and brother-sisterhood
relation for real growth + development.

≈ APS-Graduation Program ≈

After grade 5 in Asha School,
they are graduated and promoted
to high school for further studies.

It's hard to say Bye-Bye.
Kids study here from Nursery to grade 5.
Then they shift to high school.

*This Year 14 Students passed
out from class 5.*

*Hureey! Now we go to high school.
They are very happy to visit High School.*

*Saying Bye-Bye to their
Small Sisters & Brothers.*

Saying Bye-Bye to teachers.

Now they start a new-life in
the high school. The asha teachers
guide them in the new school at
first.

There, they meet their Senior
brothers & sisters too. The new kids
are welcomed happily there.

~ The SDB High School. ~

As part from regular Education, we have
VTC - Vocational Training Center too,
for the students in the high school.

Here, we give special training on beauticians for the students from grade 8 to 10.

Also Electricity Training. All these idea was supported & designed by Franziska from Germany - Switzerland. Thank you.

*Sewing & tailoring training.
It's a great opportunity for our Students.*

*"Kumari" - The living Goddess.
in SDB High School - our VTC Student.*

Letter Exchange program from students and their sponsors. It's like a festival always. The students + their sponsors are always connected.

This year, all the students from class 10, passed out with good result. 5 failed but after re-test, they passed again.

There are about 80 students reading in high school now, graduated from Asha school.

After class 5, in Asha School, this is a great opportunity for them to continue further Education in high school. Thank you sponsors.

Time Flyies.....
Our Asha Hostel Crossed 17 Years already.

∞ grand Celebration!
Thank you for your Continuous Support
and love to survive this hostel.

30 kids are enjoying, learning
and growing in our hostel.

They come very small, grow with us,
and return to family after class 5.

our Hostel is a great place
for our children.

We are growing together
in a very comfortable way!

The new arrival to the hostel, is
being welcomed by the older students.

The students get free books & Copies for Studies.

Barber visit the hostel occasionally for the hair-cut.

↑ Holy festival.
